ONLINE REGISTRATION AND CREDIT CARD PAYMENTS

We are in the process of converting our online registration and credit card payment software. **The *Online Registration*** portion is complete. The ***Online Credit Card*** portion is “in the works”.

The *new* Online Registration will require you to “log in” and create a password, but it will be worth the extra time in the beginning. You’ll be able to view your current and past course registrations, update your contact information, request information, receive automatic confirmation of registration (sent to the email address you provide on the registration form), etc. Contact Terry Sulli for assistance.

So...please register online and choose “bill me” to mail in your payment. To pay using VISA or MasterCard, contact Terry who will need the credit card number, expiration date, and name on card. Loyola does not accept American Express or Discover.

If you prefer not to use Online Registration, you may print the course brochure (includes registration form) and mail, fax or phone it in. For the programs that do not have a published brochure at this time, use the enclosed Registration Form (page 5).
