

DEPENDENT CHILDCARE APPEAL FORM

(TO BE COMPLETED BY STUDENT.)

Students with young dependents (age four and under) may petition for a budget increase to cover expenses associated with daycare. Federal regulations limit the type of facilities that may qualify under this program. A student wishing to appeal for a budget increase should consult the Office of Law Financial Aid and Scholarships before submitting an appeal. If a student has an employed spouse, it will be expected that the spouse may cover a portion of the expense.

Name: _____

Student ID Number or Social Security Number: _____

Amount Requested: _____
