

Junior Class Ranks

The rosters below rank all students who were classified as Law Juniors (2L Full-time Day, 3L Part-time Day, and 3L Part-time Evening) at the start of the spring 2015 semester.

Official Class Rank

The **official class rank roster** for juniors is the combined roster, roster #1 below. Students who use a rank other than the official rank on a resume, in a cover letter, etc., must identify and describe the rank used. Please meet with a Career Development counselor for guidance about how to display class rank on a resume.

Bottom Quarter: Required Course

Any student with a GPA below 2.563 is in the bottom quarter of the class (see the combined roster). Any student in the bottom quarter who began law school in Fall 2010 or later, must take Law L767 Consolidated Legal Analysis in the fall semester of senior year. Students required to take Consolidated Legal Analysis who will be seniors during the 2015-2016 school year will be registered in the course in the coming weeks and should take steps now to adjust their fall 2015 schedules to make room for this three credit course.
