

LAW LIBRARY FACULTY MEETING
Minutes
October, 2008

The librarians met in our fall meeting to begin discussions on the replacement of Elizabeth Moore, our Deputy Director, who had taken a position at the Law Library of Congress the previous year. We would work closely with the Director, Michael Whipple, to plan for this process. The goal at this meeting was to define the positions and talk about the library's needs.

We voted on final revisions to the Faculty Handbook in order to send it to Monroe Library. The Chapter 11 on Libraries would be submitted to the Board of Trustees for final approval.

Cathy Wagar had been elected to the University Senate to represent the law library. She gave us a report on her first meeting of the Senate. There were no applications for promotion or tenure this year, so the meeting was adjourned.

Nona Beisenherz
Chair
Law Library Faculty
