

## Non-Graduating Senior Class Ranks (for seniors graduating in August or December 2015)

The rosters below rank all students who were classified as Law Seniors (3L full-time day and 4L part-time day/evening) at the start of the spring 2015 semester. The ranks include seniors who graduated in May 2015, however, it is calculated for and should be used only by seniors who will graduate in August or December 2015. The official and final class rank for seniors who graduated in May 2015 is called "Graduates Only" and is posted separately.

The **official class rank** for non-graduating seniors is the combined roster, which is roster #1 on the far left. Students who use a rank other than the official rank on a resume, in a cover letter, etc., must identify and describe the rank used. Please meet with a Career Development counselor for guidance about how to display class rank on a resume.
