THREE TYPES OF LOANS MAY BE AVAILABLE FOR SUMMER 2013:

1. Unsubsidized Loan

- ◆ If a student has not used all Unsubsidized Loan eligibility for the fall and spring semesters (up to \$20,500.00), remaining funds may be used for the summer term.
- ◆ Eligible students should contact our office for further instructions.

2. Graduate Plus Loan

- ◆ In order to receive a federal Graduate Plus Loan, a student must be enrolled in at least 3 hours for summer.
- ◆ Students may apply online for Graduate Plus Loans at www.studentloans.gov.
 - ◆ During the application process, request a new Graduate Plus Loan for the **12-13 school year**.
 - ◆ Do not attempt to adjust a previous loan application.
 - ◆ On the application, please select award dates **May 2013 - August 2013**.

3. Private Loan

- ◆ Enrollment in 2 hours may qualify for a private loan. Please select a lender and apply for the amount requested.
- ◆ Please see our office for additional information.
