Note: Figures for job duration are based on jobs for which the item was reported, and thus may not add to the total number of jobs. The count of jobs funded by the law school is a total, regardless of duration.

Table prepared by NALP, July 2015

NALP Summary Report data may vary slightly from the school-specific data published by the ABA because of definitional differences between the two organizations and because NALP's quality control process can result in changes made after the ABA data has been submitted. For more on this, see www.nalp.org/classof2013.
