As of November 2014, this material is no longer tested on the Louisiana bar exam. We recommend students complete the pool course requirement by enrolling in Persons, LA Code of Civil Procedure, Community Property, or Security Rights. †† The fall 2014 Law Bulletin lists LCIVL921 LA Secured Transactions as one of two required courses for students in the bottom 25% at the end of the first year. In spring 2015, the faculty replaced LA Secured Transactions as a bottom quarter requirement with LCIVL935 LA Code of Civil Procedure. This change may be applied retroactively to students who entered the College of Law in fall 2014; students are urged to enroll in LA Code of Civil Procedure instead of LA Secured Transactions to complete the end of the first year bottom 25% requirements.
