+ This course is being taught online as an asynchronous course.

& This course will be taught online, in part synchronously and in part asynchronously.

* Students completing the course earn experiential learning credits equivalent to the credit hours earned in the course.

@ This 3-hour course will have an additional 75-minute class session each week that will be held asynchronously to complete the requisite time for a 3 hour course.

% This course is being taught as a synchronous course online.

Note: The times listed for May and August terms include time allotted for breaks scheduled at the professor's discretion.

Please see the course description document on the law records page for specific course information:
