**Total credit hours:**

24 for LL.M. \_\_\_\_\_

\* The writing requirement may be satisfied by taking a two- or three-hour law school seminar course requiring a paper or a two-hour independent legal research project (LAW 898). LL.M. students may complete a more extensive thesis for up to a total of six (6) credit hours. This would be *instead* of the two-hour requirement, not *in addition* to the requirement.

\*\* The remaining hours may be taken from among any law school courses except clinical or journal courses for J.D. students. Up to four (4) hours may be earned through a pass-fail internship with a law firm, court, or government agency.
