**Instructions for Public Service Requirement:**

Each student seeking the Social Justice Certificate must complete 50 hours of public service work. The work must be pre-approved by Professor Judson Mitchell. Public service work is broadly defined to include work performed for a stipend, in addition to pro bono work. Pro bono hours completed to satisfy the Law and Poverty requirement may also be used to satisfy this requirement; Professor Mitchell's approval is required. All public service hours completed for the certificate, both compensated and uncompensated, must be reported through the Pro Bono Reporting database, online at <http://loyolalawtech.org/probono/>.
